DETAILED ACTION

Information Disclosure Statement

1. The listing of references in the specification is not a proper information disclosure statement. 37 CFR 1.98(b) requires a list of all patents, publications, or other information submitted for consideration by the Office, and MPEP § 609.04(a) states, "the list may not be incorporated into the specification but must be submitted in a separate paper." Therefore, unless the references have been cited by the examiner on form PTO-892, they have not been considered.

Claim Objections

2. Claims 1, 3, 6, and 7 are objected to because of the following informalities:

claim 1, line 4, change "the" to --a--;

claim 1, line 5, change "a turf cover" to --said turf covering-- and change second recitation of "a" to --said--;

claim 3, line 2, after "marker" insert --frame--;

claim 6, line 1, before "means" insert --said--;

claim 6, lines 1-3, delete "an artificial turf... said means";

claim 7, line 1, before "means" insert --said anchor stake--;

claim 7, lines 1-2, delete "for securing a..., said means";

claim 7, line 3, "a grave site" to --said grave-- and before "joint" insert --said--; and

claim 7, line 4, delete "site".

Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. Claims 1-7 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
4. Claim 1 is rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential structural cooperative relationships of elements, such omission amounting to a gap between the necessary structural connections. See MPEP § 2172.01. The omitted structural cooperative relationships are: the structural cooperation between the grave cover frame, joint fittings and couplings, head marker frame, and artificial turf covering is unclear.
5. Claim 5 is redundant with claim 4.

Allowable Subject Matter

6. Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
7. Claims 2-7 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

8. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. See PTO-892.
